

Outcome	Limited (1-2)	Basic (3-4)	Sound (5-6)	High (7-8)	Outstanding (9-10)
MS11-2: Represents information in symbolic, graphical, and tabular form	Completed 3 or fewer summaries; or summaries are incorrect and unrelated to the topics.	Completed 5 or fewer summaries; or summaries contain errors; or do not effectively summarise the concepts.	All 7 summaries are concise and explain the concepts but use minimal mathematical language and key words.	All 7 summaries clearly explain concepts using correct mathematical language, with minor errors.	All 7 summaries concisely and accurately explain concepts using appropriate mathematical language and keywords, with insightful annotations.
Worked Examples from Text	Fewer than 5 examples included; examples are incorrect or unclear.	5-7 worked examples included; some examples may contain errors or lack clarity.	8 worked examples included; examples are mostly correct and clear but may have minor errors.	All 10 worked examples from the text included, clearly presented and mostly error-free.	All 10 worked examples accurately and clearly presented, with insightful annotations that enhance understanding.

Outcome	Limited (1-2)	Basic (3-4)	Sound (5-6)	High (7-8)	Outstanding (9-10)
Student Created Examples	Developed fewer than 5 original examples; questions do not align with skills in worked examples.	Developed 5-7 original examples; questions may contain substantial errors or lack alignment with worked examples.	Developed 8 original examples that align with skills in worked examples, but may be too similar or contain minor errors.	Developed all 10 original examples correctly applying skills from worked examples with minor errors.	Developed all 10 original, challenging examples that effectively apply skills from worked examples, with insightful annotations.
Presentation and Organisation	Portfolio is poorly organised, difficult to navigate; summaries and examples are unclear.	Some organisation is present; however, clarity and structure are lacking in sections.	Portfolio is organised; most sections are clear and easy to follow.	Well-organised portfolio; summaries and examples are clearly presented and visually appealing.	Exceptionally well-organised portfolio; information is presented in a logical, engaging manner that enhances understanding.

Outcome	Limited	Basic	Sound	High	Outstanding
Reflection on Learning	No reflection on learning or irrelevant content included.	Minimal reflection present; lacks connection to learning or concepts.	Basic reflections on learning are present but lack depth or specific connections to concepts.	Good reflections on learning with some connections to prior knowledge and future applications.	Insightful and comprehensive reflections on the learning process, effectively connecting concepts to prior knowledge and future applications.

**Breakdown of Requirements:**

1. Summaries:

- Total Required: 7 summaries
- Additional Credit: Insightful student annotations clarifying elements in their own words.

2. Worked Examples from Text:

- Total Required: 10 worked examples sourced from the text
- Additional Credit: Insightful student annotations clarifying elements in their own words.

3. Original Worked Examples:

- Total Required: 10 original worked examples demonstrating the skills from the text
- Additional Credit: Insightful student annotations clarifying elements in their own words.

**Total Score: \_\_\_\_\_ / 40**
