### Task description

Notes for students:

- Students complete the test in the last timetabled lesson in Week 6.
- Each class will have one lesson of class time to revise for the test.
- Students will have access to a practice test that will allow them to become familiar with the style of questions and the test layout. This is available on the Google Classroom (code: wvqsetl)
- No digital tools (calculator, laptop) are to be used during the test.
- Students have the option of resubmitting their test for an improved grade. Please see your teacher if you are interested.

### Marking Guidelines

Marks will be awarded as outlined for each question on the test paper.
