Combined Schools Hoof & Hook Competition

Led Steer results are in – RRHC 1st in the Combined Schools Hoof & Hook Competition. The cattle team won enough ribbons and trophies at the North Coast National Show for one each!! Great results for our Agriculture students with two of our steers, Leroy came 2nd in the Open Heavy Weight Hook and 4th in the Open Heavy Weight Hoof. In the schools competition Alf came 1st in the Light Weight Hoof and Leroy 2nd in the Heavy Weight Hoof. RRHC coming first in the Combined Hoof and Hook Schools Competition as Alf came 2nd and Leroy 3rd. This is an outstanding result for the students, Mrs Sally Ford, Agriculture teacher and Gary Osborne our Farm Assistant.

Lost Property

There is a large amount of unclaimed clothing items on the verandah outside Student Services. It will remain there for Week 5 and then be passed on to a local charity.

Year 9 Uni-Bound

On Friday 27 October, forty-three Year 9 Students travelled to Southern Cross University for Uni-Bound, a day where the University invites Year 9 students to see the facilities, so that they can begin thinking about their future educational path. Students began the day with a motivational talk by Sim, a Student Liaison Officer at SCU. Then students split into their desired groups, where they travelled around the university to get a closer look at what is involved if they choose to study in that discipline. The groups were, Law, Visual Arts, Midwifery, Nursing, Exercise Science, Media, and Music. The students were exposed to fantastic new facilities, equipment and activities which engaged them for the entire day. It was a great opportunity to see how a University runs and the many options students have once they choose a path they wish to study. I have to congratulate all students on their behaviour and involvement in the day, they were spectacular. Special thanks to Mr Eden Weir who organised the excursion for us and to Mrs Sally Ford for coming along and helping to supervise and take photos.

Don't Worry, Bee Happy!

RRHC students took part in a Bee seminar at Alstonville High and Bee Scope in Wardell. Students were taken through the process of honey production for both European and Native Bees. Students got to see the honey production and extraction process. Every product from the honey extraction process is used. You may think honey has one use - eating; but honey is also used for medicinal and beauty purposes, with some sold as boutique honey in high-end restaurants - this can retail from \$300 to \$400 a kilogram.

Future Opportunities Working with Bees

School Based Apprenticeship Traineeship (SBAT) was also discussed with students as the DET has developed an SBAT in Cert III Beekeeping. Students can complete this during Years 11 and 12, with this qualification going toward their HSC. This opportunity allows students to attend school, take part in external training and also work one day a week in the industry, with the added advantage for students of being paid for the day of work each week. Giving students the opportunity to attend these informative seminars opens up future career options which they may never have thought about.

I would like to thank all involved who organised this informative day for both students and staff from RRHC. I would also like to thank Sally Ford (TAS Teacher RRHC), for assisting on the day with supervision and transport.

Curtain Call at Star Court Theatre

On Wednesday night students in Year 9 Drama presented their class ensemble piece about teenage body image at Curtain Call. The group did an amazing job representing our school among a variety of monologues, dance and music pieces from public schools across the Northern Rivers. Huge congratulations and thank you to the wonderful performers, teachers and parents who dedicated their time to the event. RRHC is looking forward to participating in 2018.

Youth Participation Survey We need your help!

We know young people in Australia have a lot to say about their country and those issues they're passionate about. However, they don't always get the chance to be heard.

To help make sure Kids Helpline stays relevant, we'd like to learn how we can involve young people in the planning and delivery of our services to make a real difference.

How can you help?

The first stage of our consultation process is a short survey for young people and we need your help to spread the word! Perhaps it's a mention in a newsletter, a post on Facebook or a group activity. To help make it easy, we've created artwork for you to use on the link below.

As an incentive for young people - they'll go in the draw to win a \$50 gift voucher for their participation.

With your help, we hope Kids Helpline will be able to make an even bigger difference in the lives of young people.
