Deputy Principal News

Hello RRHC Community.

It has been another busy week at RRHC.

Year 8 subject choices

Year 8 students have now all been interviewed in relation to their elective choices for 2018 and a big thank you to those parents who have returned the signed letter to Mrs Ford. This is vital so that both the school and home are on the same page regarding requirements for student studies next year.

Year 10 Great Keppel

Year 10 will be heading off to Great Keppel Island on Sunday night - Year 10s don't be late as it's a long walk if you miss the bus. An action packed fun week of activities is planned. A massive thank you to Mr French for his tireless organisation of this excursion. We are sure everyone will have a great time.

Preliminary HSC Exams

Year 11 will be completing their Preliminary HSC Exams over the next two weeks. Students need to make sure that they have prepared well and take the time to read the questions posed and plan their answers. These exams not only help to identify strengths and weaknesses but are also good practice for the HSC Examinations next year.

Year 12 HSC Trials

Year 12 have a short time left here at the school and need to make sure that they take the opportunity to discuss with teachers how to optimise possible results in the HSC.

Have a happy and safe weekend.

Uniforms

As the weather is warming up and Spring is upon us, it is a great time to remind everyone of our uniform expectations. Students are to wear black shorts or skirts which must be an appropriate length. This means that when students have their hands down by their side they reach the hem of their shorts or skirts. Shirts are to be either Richmond River High red or grey polo shirts or white senior polo shirts. T-shirts and tights are not part of the uniform. If a student is out of uniform, a note is required from a parent/carer, or the student needs to see one of the Deputies before Year Meetings in the morning to get a uniform slip.

Preliminary HSC Exams

Students should be preparing for the Exams which start on Monday. Completing mindmaps or study cards are two strategies students can use. They can also make use of the app called quizlet which is found at <https://quizlet.com/>

Girls Futsal

On Thursday 7 September the Under 14s and the Under 16s Girls Futsal teams went to Casino to play in the Zone Gala Day. Both teams competed to the best of their ability and played within the spirit of the game. Our Under 16s won their first game 5-1 against Lismore High, before coming up in the semi-final against a very competitive Woodenbong team. The girls played very well and created chances. Unfortunately Woodenbong took their chances late in the game and won 3-1.

A big congratulations to the under 14s girls who won the Zone final. They started the day winning against Evans River 6-1, advancing them straight to the Zone final. They came against a competitive Alstonville High team. The game ended 4-4 after regulation time forcing it to extra time (golden goal). The girls held their composure well and scored the winning goal in the first half of extra time. Congratulations to all girls involved.

SCU Legal Studies Day

Richmond River High Campus students were among those representing many schools from across the North Coast at the Southern Cross University Legal Studies Day. Southern Cross University organised for highly experienced presenters to provide informative and helpful lectures on the different topic areas that students are studying for their HSC. All the RRHC students who attended agreed that the day was highly informative and helpful in their preparations for the Legal Studies HSC Examination. Thank you to Southern Cross University for organising such an invaluable opportunity for our Year 12 students!

SUPPORTING FAMILIES TO UNDERSTAND AND ACCESS THE NDIS

Schools can support families at each stage of the NDIS pathway. This fact sheet focuses on the first two stages.

How schools can support families to understand and access the NDIS

- Promote awareness of the NDIS among parents, carers and the school community
- Explain how to contact the NDIS by phone, online contact form or NDIS customer service centre
- Refer families who may meet NDIS eligibility requirements to the NDIS access checklist
- Refer families whose child aged 0-6 years has a developmental delay to an NDIS Early Childhood Early Intervention (ECEI) partner
- On request, provide copies of existing assessments, reports, plans or other information on a child's disability to support an NDIS access request. Schools are not required to complete new reports for the NDIS

- Schools may, but are not required to, support families to complete an NDIS access request form
- Support families who have urgent support needs to contact the National Disability Insurance Agency (NDIA)
- Refer families to appropriate support services such as:

- Ability Links NSW - links people with disability, their families and carers in the community
- My Choice Matters - builds the capacity of people with disability and their families to access services and take part in the community
- EnableNSW - provides services and equipment to people with disability or chronic health conditions

Fact sheets on other stages of the NDIS pathway are available on the Disability, Learning & Support website.
