RRHC farewells Kathy Claydon

Kathy our Canteen Supervisor left on Tuesday after nearly seventeen years of service to our school community. Kathy has always greeted people with a cheerful smile and her warmth and generosity of spirit will be missed. Kathy has had great rapport with staff, students and volunteers alike and has been an integral part of the everyday life of our school and many staff and students have benefited when lunches have been left at home. Thank you, Kathy for providing friendship as well as food to our school. You will be missed and we wish you all the very best in your new endeavours.

Summerland House Farm excursion

We collaborated with staff from The House With No Steps to tour the local Recycling Centre and Summerland House Farm. There are currently positions available for people with disabilities in Supported Employment and the day was designed to introduce our students to the local opportunities available. If you would like to know more about the current jobs available for people with disabilities in Supported Employment I encourage you to attend the Facility Services Information Session. Date: 16 November Time: 10 am Location: Facility Services Shed, 253 Wardell Road, Alstonville. To register your attendance to this event please contact Gemma Hall, HWNS Employment Coordinator, mob: 0427402137, email: ghall@hwns.com.au

Deputy Principal's News

Hello RRHC Community

It has been a hot and busy week at RRHC with the continuation of the HSC examinations. The Year 12 Formal will be held next Friday night at the Workers Club and we wish them all a happy night.

Our School Captains and Vice Captains speeches will occur next Tuesday morning providing the opportunity for all students to hear why they should be School Captains, voting will also occur on Tuesday.

Our top ten Vivo point earners were presented with prizes on Wednesday. Students earn Vivo points for outstanding effort and application both in class and in school wide events. Congratulations to the rewarded students, and over the coming weeks more rewards will be shared to worthy students. Remember to ask your teachers for Vivos if you deserve them. A special thank you to all our sponsors who kindly donate prizes for the students.

Uniform

We have been very impressed with the effort that most of the students have made to wear the correct uniform. It makes a difference to the feel of the school when everyone shows that they can follow expectations.

There are a variety of good reasons why wearing uniform is important:

Safety, safety, safety. We are a large school with many students. It is easy to spot anyone out of uniform, particularly useful for identifying anyone who has not signed in as a visitor. It is also important to wear uniform on excursions for supervision purposes.

The school community including P&C and SRC set the uniform expectations.

The NSW DEC Core Rules: Student Discipline in NSW Government Schools states that all students are expected to maintain a neat appearance, including adhering to the requirements of the school's uniform or dress code policy.

Wearing the uniform is an immediate and visible indicator that you are part of our school culture.

On the odd occasions when your uniform is unavailable it is important to bring a note from home and get a uniform pass from the Deputies. Students out of uniform may be required to use one of the loan uniforms in the library.

Arriving late or need to leave early?

All students arriving late or needing to leave school early must have a note from home which they must take to the office. Students leaving early must be picked up by a parent and will not be given permission to walk home.

"It's not about what it is, it's about what it can become." (Dr. Seuss)

Have a happy and safe weekend

Regards

Luke Woodward

Deputy Principal

Reminder - Drop off and pick up at back of school

Parents who are dropping off or picking up their children before or after school are reminded to do this in the areas outside of the bus, taxi, disability parking, and no stopping zones at the front of the school. Suggested safe areas are the grassy tree-ed area outside the Ag Shed in Lake Street or near the shelter in McKenzie Park in Pitt Street, where there is a footpath to the school. The other alternative is at the back gate of the school on Alexandra Parade. The safety of our students is paramount.

Coraki Art Prize Success

Casey and Jack first place in their categories. Outstanding results for Casey Rucker, Year 12, 1st in the 13-18 Years Youth Art any medium and Jack Marr, Year 11, 1st in the Open Photography section. The students were delighted to receive recognition for their hard work and between them \$1000 in prize money. Congratulations Casey and Jack and well done to all the other RRHC students who participated.

HSC Business Studies

Confucius once said, "I hear and I forget. I see and I remember. I do and I understand" and this ideology is extremely valid when studying the world of business. This term our HSC Business Studies students are studying Operations. As part of their studies, students travelled to Timezone Coolangatta this week to see Operations Management in action. Students were given two hours of play time to experience Timezone; to see the different games, the layout of the store, the prizes available and what the customer experience is like. Following game time, the students were given a tour of the business by the Operations Manager who explained key aspects of the business including the strategic role of operations, transformation processes and operations strategies. As a bonus, two students who asked the best question on tour (as voted by the Operations Manager) were awarded with a game of Gold Coast Monopoly which was only released this week and features Timezone as one of the squares of the game board. It was an extremely enjoyable and educational excursion which will continue to help bring the theory we learn this term to life as we apply it to what we have seen and learnt at Timezone. A very big thank you to Stephen and the entire team at Timezone Coolangatta for making this possible.

Is There a Doctor in the House?

We all have ambitions to become one thing or another; at Richmond River we have sixteen young aspiring students looking to have a career in the Health and Medical industry. These students attended the annual “Do you want to be a Health Professional” day, organised by Connect Northern Rivers and held at The Centre for Rural Health in Lismore.

The day began with students listening to a panel of specialists in the areas of, Medicine, Occupational Therapy, Medical Imaging, Osteopathy, Speech Pathology, Radiation Therapy, Pharmacy, Nutrition and Dietetics. The panel gave in-depth descriptions of what’s required, covering the good, the bad and the ugly, to gain work in these fields. Students then had an opportunity to ask questions.

The afternoon was broken into sections of practical activities. The students’ favourite was suturing. Students were shown how to put stitches in using the equipment used in a hospital, on wet suit material, they’re not up to stitching a person yet!

RRHC students represented the school with pride and displayed how fantastic they will be in the work force when they leave education.

RRHC would like to thank Connect Northern Rivers, the staff at the Centre for Rural Health, and all presenters who volunteered to speak to the students.

We look forward to next year.

All My Own Work

All My Own Work will be running for Year 10 on Monday November 19.

All My Own Work is a NESA program that informs Year 10 students of their responsibilities concerning submitting only work that they have completed themselves and educates them as to what equates to cheating in assessments.

It is a requirement of NESA that all students complete the course before they are able to be entered into their Year 11 courses.

Tuning in to Kids

FREE
Parenting Program

For Parents with children aged between 0 and 12 years.
Each Thursday from 4 November to 6 December 2018, 10:00am to 12:30pm.
Held at Family Support South Lismore - 41 Wilson Street, South Lismore

Tuning in to Kids focuses on the emotional connection between parents and children. In particular it teaches parents skills in emotion coaching, which is to recognise, understand and respond to children's emotions in an accepting, supportive way. Children with good emotional intelligence often have better emotional and social skills, as well as fewer behavioural difficulties.

Tuning in to Kids teaches parents:
- Awareness and regulation of their own emotions
- Awareness of their child's emotions
- How to respond appropriately to their child's emotions
- Skills to assist their children to verbalise and manage their own emotions.

Facilitator Courtney Kaevers

WATER MAIN REPLACEMENT

ALEXANDRA PARADE, ARTHUR, BRIDGE AND PITT STREET, NORTH LISMORE

Commencing Monday 5 November 2018

Dear Resident and Business Proprietors

** starting on Monday 12 Nov.*

Lismore City Council plans to replace a water main near your property commencing Monday 5 November 2018. Works are expected to take around 8-10 weeks to complete, subject to fine weather

This work is part of Council's water main renewal program 2018-2019.

Where are the works?

The new water main will be installed within the road shoulder of Alexandra Parade, Arthur, Bridge and Pitt Streets, North Lismore (*see over for map*). A new water service line will also be installed between the new water main and the water meter on your property frontage.

What do the works involve?

Water main installation mainly involves digging a trench within the road verge, laying pipes and backfilling using a small excavator. We will progressively install new sections of water main and associated water service lines along one road at a time.

We will also engage a specialist contractor to underbore the road in several locations where new water service lines must cross to the opposite side of the road from the new main. This requires excavation of small underbore entry and exit pits in the road reserve. We will also use jet vacuum truck to trench in sensitive areas containing underground telecommunications cabling and to avoid cutting major tree roots.

Your new water service line up to and including the meter will be replaced and connected to the new main at no direct cost. We will notify residents 48 hours before these works at the property boundary that will also require a short period of water supply disruption during this connection. We will reinstate all areas affected by these works at the property boundary.

What will be the traffic controls?

Traffic controls will be in place during work hours as we progressively install the new water main along these roads. Our hours of work will generally be 7am to 5pm Monday to Friday and may also include some Saturdays to complete the work efficiently. These traffic controls will include the following:

Lane closures – Alexandra Parade, Arthur and Pitt Streets

Traffic lanes and adjoining verge will be temporarily closed as we progressively work along Alexandra Parade, Arthur and Pitt Streets. Traffic controllers will alternate traffic flow along the other lane to minimise disruptions.

Temporary road closure - Bridge Street

A temporary road closure will be in place as we work along Bridge Street between Pitt Street and Alexandra Parade. Local access for the residents of Slater Street will be maintained under the direction of traffic controllers.

Driveway disruptions

Council staff will liaise with you if we need to trench across the top of your driveway. We will keep access disruptions to a minimum and will reinstate affected driveways by the end of the work day.

Once the new main is complete, we will come back and reseal all bitumen surfaces damaged by trenching.

Further information

We apologise in advance for minor access disruptions you may experience whilst we complete these essential water supply works.

We thank you in anticipation of your cooperation and patience during these necessary works and ask that you comply with all traffic control and workplace protection measures to help keep road users, pedestrians and those working safe.

If any matters arise during construction, in the first instance please contact our Site Supervisor, Leigh Simpson on 0437 246 216. For all other enquiries, please call our Customer Contact Centre on 1300 87 83 87 (24-hour service).

Thank you.

School Uniform

Rationale: We need all stakeholders; students, staff, parents and carers to play their part in ensuring that Richmond River High students wear school uniform. RRHC P&C, in consultation with the school community, decided on 23/11/99 that RRHC would be a uniform school. At this time a uniform policy, and uniform requirements, based on community feedback were established. Both the policy and requirements have refined since with further community consultation.

Please be aware students are encouraged to wear Richmond River branded shirts, jumpers and pants/ skirts.

Items of clothing worn to RRHC cannot be ripped, must be of a single colour, cannot have stripes/ embellishment, must be of an appropriate length and have no or a very small (smaller than the size of a credit card) single coloured logo.

Tights, black T-shirts, singlet/ tank tops, midriff tops, transparent fabric, torn/ ripped clothing, incorrect colours and stripes, large logos or slogans and shorty shorts are all unacceptable for school.

Statement of Expectations

A. Excursions:

- The teacher in charge of organising an excursion should discuss the suitable clothing to be worn by students when seeking approval from the Principal to run an excursion.
- Students will not be allowed to participate on a school excursion if they fail to wear the specified uniform.
- Students who are not allowed to go on an excursion due to failure to follow the above uniform procedures may not receive a refund if the excursion costs are not covered.

B. Formal Assembly Awards:

- Students to receive an award/certificate at a Formal Assembly must be wearing full school uniform.
- Students who fail to comply with this procedure will receive their recognition at another appropriate time.
- Students who wish to speak to the school at an Assembly or perform in front of an Assembly must be in uniform or ask another student dressed appropriately to take their place.

C. Student and Parent/Carer Responsibility:

- Students with the support of their parents and carers are expected to exercise their full responsibilities prior to school each day for wearing of the school uniform.
- Parents/carers should provide a written explanation when their student is out of uniform due to unforeseen reasons.
- In cases of financial hardship, parents/carers may apply for Student Assistance to help with the purchase of uniform items.

Procedures

- Students who are out of uniform should present an explanatory note to the Deputy Principal's office before Roll Call each day. They will be issued with an 'out of uniform' pass.
- A record of students issued with an 'out of uniform' pass will be recorded, along with the reason for not wearing the uniform.
- The Principal/Deputy Principals will write to parents/carers of the students who have a poor uniform record asking them to support the uniform policy agreed to by the school community.
- During Roll Call, students who are out of uniform and who do not have an 'out of uniform' pass, will be sent to the Deputy Principals.
- Students out of uniform who arrive late are to collect an 'out of uniform' slip from the Deputy Principal's office.
- Students wearing inappropriate clothing in the opinion of staff, e.g. offensive language/messages, unsuitable colour or unsuitable coverage will be asked to report to the Deputy Principals or Principal.

Uniform Requirements 2018

School uniforms as shown below will be supplied by Lowes located in the Lismore Square, Lismore.
