Principal's News

Some lovely rain falls as I write this newsletter, and I sincerely hope some of it is falling west of the ranges where it is so badly needed. At this time of the year it gets busy with processes around both Year 6 into Year 7 transition and Year 10 into Year 12 transition.

In the next few weeks we have an Information Night scheduled for parents and students who are in Year 10 and are considering the subjects they wish to study in Year 11 and Year 12 for their Higher School Certificate. There are so many choices available to our young people these days that decisions about patterns of study for HSC, whilst important, are no longer the 'be all and end all' for further higher education. Subject selection is however, 'the be all and end all' of student wellbeing and satisfaction during the HSC years, therefore it is incredibly important to choose subjects that are enjoyable, challenging, satisfying and are an excellent fit for each individual. Every year we deal with young people who choose subjects for the wrong reasons and then find it very difficult to get out of them, which leads to unhappiness, disengagement and, on occasion, an inability to complete their Higher School Certificate studies.

So my advice is this; choose wisely. **Do** pick a subject because you love it, it deeply interests you, you know you can utilise the skills you use in your outside of school life, it intrigues you, or you are very good at it. **Don't** choose a subject because your best mate is doing it, your favourite teacher is teaching it, your parent studied it at school, your Grandma thinks you should, or the dog ate your homework, choices based on these reasons will almost always end unhappily.

Enjoy the long weekend!

Deputy Principal's News

Hello RRHC Community,

Year 10 students will soon be embarking on their choices for their Stage 6 patterns of study. This will commence with students being provided with a copy of the curriculum book, and then the information evening will be held on 19 June where students will have the opportunity to have discussions with staff about their subject choices. Students will then be interviewed by a panel of staff to ensure they have made appropriate choices. Parents and Carers are encouraged to take an active role in this process to help their student with choices.

Year 11 have been given their Reports today and there will be the Parent/Teacher Evening at Lismore High Campus on 26 June. We encourage all students and their parents/carers to attend the evening to help their student complete their Preliminary courses and their movement into their HSC studies.

Stage 4 students will be involved in a "Safe on Social" program on 20 June. This program highlights the importance of positive choices around using social media and the outcomes of making poor choices. All RRHC parents and carers are invited to an evening presentation at 5.30pm-6.30pm including a question and answer session to improve skills in managing and supporting their students in the safe use of media platforms including Facebook.

Students are encouraged to relax and have a fun, safe long weekend.

Year 11 Ancient History

As part of finishing up their study of the ancient Persian site of Persepolis, students in Year 11 Ancient History created their own tablets using air drying clay. They inscribed their messages using ancient Persian cuneiform script using bamboo skewers for a stylus. Students were able to get a sense of how labour intensive ancient forms of writing really were!

Student opportunity

Our Agriculture students will have the opportunity to show stud cattle at the upcoming local shows, thanks to True North Angus Stud. True North has loaned us four heifers and this will allow more students who have elected Agriculture to participate in showing livestock in different classes at the shows. We greatly appreciate their support in this new adventure.

Student success

Bodhi and Jayden are representing the North Coast for football at the NSW Schools Football Championship in Bathurst this week. Best of luck boys! Thank you for being such fantastic role models for RRHC and our wider community. The team is coached by John Eakin, one of our RRHC teachers, good luck!

SCU Unibound

Last week Year 8 students took part in interactive workshops delivered by Southern Cross University Future Students. Students met with university staff and student mentors to investigate the benefits of higher education through presentations, games and activities designed to build knowledge, awareness and confidence around university concepts and career choices. The students were fantastic and it is great to see so many students thinking about their post school options.

Careers Adviser

The excitement and anticipation is growing as students received their log in information for VIVO this week and are beginning to be able to see how many points they have already earned for doing great things in our school.

VIVO is a student reward program that operates similar to a points based program such as flybuys. Students are awarded points for positive behaviour and participation in extra-curricular activities and can use these points to purchase prizes from the VIVO store as a reward. It is a program aimed to encourage good behaviour and reward hard work, helping students to build character, increase engagement and participation and improve community cohesion.

To date, there has been some generous support of the program from local businesses who have donated goods and services as prizes which we are extremely grateful for. These businesses include: Horseland Lismore, Mojo Surf Byron Bay, TimeZone Gold Coast, Intersport Lismore, Inka & Co, Broncos, and BCC Cinema Lismore.

If you or a business you know, are interested in supporting the VIVO program, please get in touch with Elizabeth Perry or Luke Woodward to discuss further.

Student Online Portal

All students can now access information such as timetables, school and assessment calendars online through the student portal - login name and password is the same as DET account. The student portal web address is: web2.richmondri-h.schools.nsw.edu.au/portal/login

Year 11 & 12 Parent Teacher Interviews

Save the date

Parent/Teacher interviews for all Year 11 and 12 will be held at the Lismore High Campus, Dalley St, from 3:30pm to 6:30pm on Tuesday 26 June 2018. The Rivers Secondary College and its three campuses use a web-based interview booking system that allow parents to book teacher interviews online, at times that suit you. Further details and instructions how to book will be available from Tuesday, 12 June.

River Rock - The Musical

Well done to all our students who are involved in the Rivers P-12 Community of Schools production. Choir meets every Thursday afternoon at the KHC library from 4-6 pm, make sure you are there. Rehearsal schedule and updates are in the Parent Portal on the website -

Year 11 Snow Trip Update

All payments must be finalised by Friday 29 June (Week 9). The total for this excursion is \$1020 unless we have an extra couple of students join, in which case the price will drop to \$1005. The full set of permission notes have been handed out in roll call including Perisher specific requirements. If you have lost your copy please get another set at roll call from Mrs Turner. Remember that all snow specific clothing (jacket, goggles, gloves and pants) and equipment (board/ski/stocks/boots, helmets and wrist guards) are INCLUDED in the price. See Mrs Turner if you have misplaced your copy of the information sheets.

BIG THANK YOU

Such a short time in the job here at Richmond River and already I have learned so much about the generosity of the community and the fabulous spirit of cooperation. Everyone has every right to be very proud of living and working in this community.

Last week a number of parents were emailed a request to complete a very short survey for me. We are planning some community meetings and want to have them at a time that suits as many people as possible. Thank you to those who completed the survey for me. Your voice has been heard and we will work with that information in hand. Unfortunately we will not be able to please everyone but we will try to please as many as possible. Your willing spirit is noted.

This week I was fortunate to work alongside the school executive for a day of examining programs that are happening in our school. What a hard working bunch they are and what a lot of special and important programs there are. You will be hearing more about this work very soon.

Thanks again. I feel fortunate to be here.

The Rivers Secondary College - Richmond River High Campus uses STYMIE to support student wellbeing and to support direct action against bullying in our school.

The program educates bystanders about their responsibilities and provides an online, independent reporting method, ensuring complete anonymity for students making notifications; creating a sense of safety in 'the crowd'. The use of Stymie will help change the 'culture of acceptance' of bullying behaviours. Students can access Stymie by going to www.stymie.com.au and www.facebook.com/stymieau

Community event - Lismore Lantern Parade

Richmond River High Campus is once again participating in the annual Lismore Lantern Parade. If students are interested in participating in the parade or playing a role in the percussion group they need to collect a note from the CAPA staff room. This year Richmond River's theme is FAIRYTALES! So get excited and think of a fairy tale character you can create a costume for and get behind this wonderful community event! All details about the event are in the permission note.

Australian Defence Force visit

There was a full house last Friday when many students from all years turned up and listened keenly to the presentations from Corporal Jeremy Halcrow (Royal Australian Air Force), Corporal Jason Enchong (Royal Australian Army) and Corporal Sarah Ngo (Royal Australian Air Force).

Students gained an insight into the recruitment process and what the defence force has to offer as a rewarding career. The students were fantastic and it is great to see so many students thinking about their post school options and seriously investigating all opportunities available.

Troubleshooting tips

[Follow this link.](#)

Are your children attending different schools?

Don't worry, School Stream caters for multiple schools from within the app itself. Jump between your children's schools by touching the school logo/name, or switch schools from the slide-in menu.

Choose which notifications you receive:

1. Open the School Stream app on your mobile device
2. From the slide-in menu, go to **Settings**
3. Under **Edit/Alerts** select **My Schools** and select your School to open the **Notifications** page
4. Toggle notifications on or off individually (e.g. Alerts, Events, Newsletters, etc.)
5. When you have finished, use the **Back** button to return to the **Settings** page, then select **Done** to return to your School
6. Return at any time to change the notifications you receive.

HSC EXAM READERS AND WRITERS

We are looking for people who can act as a reader and writer for Year 12 students during Half Yearly Exams at the end of Term 1 and HSC Exams in Term 4, on a voluntary basis. You must have a current working with children check number. To obtain this number visit <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>.

Readers and writers require the following skills -

- Ability to communicate clearly in English with sufficient literacy level
- An understanding of subject(s) being examined
- Clear, legible handwriting
- Patience and sensitivity
- Understanding of the need to maintain confidentiality and ability to do so.

If interested please contact Susie Hancock- Learning & Support Teacher ph. 6621 3456

Reminder - Drop off and pick up at back of school

Parents who are dropping off or picking up their children before or after school are reminded to do this in the areas outside of the bus, taxi, disability parking, and no stopping zones at the front of the school. Suggested safe areas are the grassy tree-ed area outside the Ag Shed in Lake Street or near the shelter in McKenzie Park in Pitt Street, where there is a footpath to the school. The other alternative is at the back gate of the school on Alexandra Parade. The safety of our students is paramount.

Child Dental Benefit Scheme
