2018 | ISSUE 18 | TERM 2 | WEEK 8

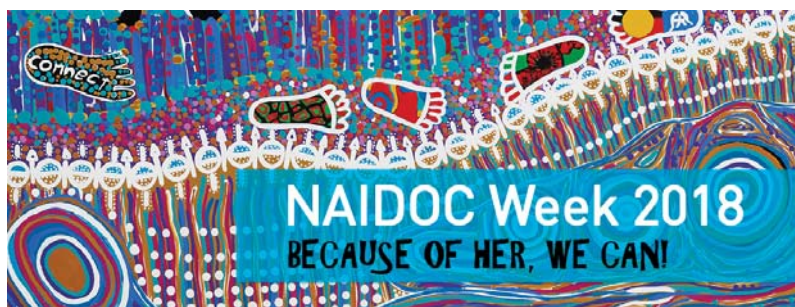

Principal's News

Whoa, what a week! P&C on Monday evening, Year 10 into Year 11 Information Tuesday evening, and Safe on Social Parent forum on Wednesday evening. Its all happening!

The decision around subject selection from Year 10 to Year 11 can be a confronting process and it is very important that students select well. Here is the quick version of the advice that was given;

- 1 **DO** pick subjects that you love, or that in the very least interest you.
- 2 **DO** pick subjects that are relevant to you, either you can picture how you will use that learning in the future, or you know you need that learning to get you to where you want to go in life.
- 3 **DO NOT** pick a subject or a course because your favourite teacher is teaching it, they may not remain your favourite teacher and you will be stuck in a course you aren't enjoying.
- 4 For exactly the same reason **DO NOT** pick a subject because your 'bestie' has picked it. Of all the reasons I just mentioned, this one, a poor subject choice due to friendships, is the one that causes the most Year 11 students grief.
- 5 If there are no subjects that interest you, and no subjects that you and your parents feel you will use later, or you really, really, really dislike school, then you need to make some alternative choices. You may need to seek a traineeship, an apprenticeship, or a job, and get on with a more adult life.

Week 10
2 July - 6 July

Deputy Principal's News

Hello RRHC Community,

Another busy week has drawn to a close. We have had Year 10 into 11 Information Evening with a majority of families attending, Safe of Social for Stage 4 Wednesday, with parents/carers after school, Bell Shakespeare for Year 10 students, Year 11 students on a Business Studies excursion, debating, science and engineering challenge, PSA Boccia Knockout, and TAFE Taster days.

Thank you to all parents/carers and students who attended on Tuesday night. It is exciting to see students seeking advice about their HSC and making good choices in their studies based on sound advice from teachers and parents/carers. The process will continue where students will be interviewed about their pattern of study and by a team within the school.

Safe On Social was an excellent day with students learning about being safe on social media and ensuring they understand their responsibilities and rights to be safe in this ever changing area. I would encourage parents who did not attend to seek out parents who did, as they gained valuable insights into how to navigate this difficult area of life. Stage 5 and 6 students will be involved in a presentation from Kirra Pendergast on 3 August (Friday Week 2 Term 3).

Students and parents/carers are again reminded that RRHC is a uniform school and we ask that all students wear uniform as this is a P&C decision. Please wear your uniform and remember that plain black jumpers/jackets are part of the uniform now as agreed to by the P&C. Students are required to bring a note from parents/carers if they are out of uniform to explain.

To end with a quote *"Do not judge me by my success, judge me by how many times I fell down and got back up again."* (Nelson Mandela)

Boccia Knockout – Well played RRHC

TRSC RRHC hosted the North Coast Boccia Knockout Competition on Thursday - with teams travelling from Ballina and Casino to compete against the host school. Paralympian coaches Sue and Peter King travelled from Sydney to conduct the competition and coached our students in having fun, developing good sportsmanship as well some of the finer points of the game.

After a great day of play all teams finished with equal wins and losses, forcing the winner to be decided by a for and against percentage. Casino High came out narrowly on top and will represent the North Coast at the NSW final at Homebush next term. Our RRHC team was comprised of Logan, Jasmine, Ruby, Steven, Phoebe and Nicki (assistant coach). All students played with great focus, teamwork and good sportsmanship, representing their school in fine fashion (and making their coach very proud). Peter King made special mention of Jasmine's efforts of four bonus shots - a feat he said rivalled national team ability. Thanks also to Mrs Black who supported the team throughout the day.

Congratulations to Casino High and we wish them the best of luck in the final round of sixteen.

Boccia Coordinator

A WAY WITH WORDS...

On 19 June a group of courageous and determined RRHC Year 9/10 students embarked on a mental battle around the debating tables. There were six debates between four schools, namely: Woodenbong, Alstonville, Kadina and RRHC.

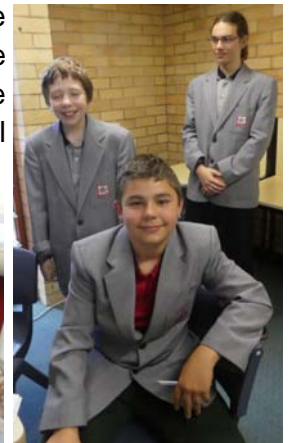

Two of our team members cancelled due to illness necessitating a last minute recruitment for replacements. Kane Muller and Hannah Martin, debaters extraordinaire, rallied the troops with the assistance of Lili Dwyer, Rhiannon Mitchell and Kai Smith-Ashworth. When illness struck once again two of our Year 7 representatives stepped up to the challenge offering their services as surrogate speakers. Nathan Carmichael and Malakai Lawler competed valiantly against the senior teams.

Teams were presented with topics shortly before their hour of preparation time. Each session was adjudicated by a member from The Sydney Arts Unit. Areas of education, sport and politics were addressed over the three stages, pertinent issues in contemporary Australian society.

The arguments were heated, the rebuttals ferocious with passionate verbal sparring. The winners of the debate were Team Alstonville. Observing the camaraderie, empathetic support, collaboration and enduring enthusiasm shared between the students, no matter the logos they bore, was truly magnificent to behold.

A special mention must be made for the leadership skills and poise of the emcee students who hosted each debate with their time keepers. These included: Grace Ubrihien, Tahlia Cooke and Tyler Thorley of Year 10 with Malakai and Nathan of Year 7. All of the participating students were truly splendid as they comprehensively looked after the visiting students. This was clearly evident in the hugs shared at the end of the day. All this was achieved with joy and laughter, a tribute to the power of community that we have at Richmond River High Campus.

SCU Science and Engineering Challenge

On Wednesday 20 June, twenty eight students from Years 9 and 10 attended Day 1 of the 2018 Science and Engineering Challenge held at SCU. Eight teams made up of three to four students competed in eight different STEM based challenges throughout the day with most students having the chance to complete two different activities.

All students displayed excellent team work skills and completed their activities with commendable scores. Our Bridge team even managed to get more weights across it than most of the other schools. While our team didn't win, all students reported that they learnt something new and had fun along the way, and the Year 9 students are already keen to attend again next year!

Thank you to Mr Weir for his support of this excursion and Mr Hennessy for his support on the day.

Student Online Portal

All students can now access information such as timetables, school and assessment calendars online through the student portal - login name and password is the same as DET account. The student portal web address is: web2.richmondri-h.schools.nsw.edu.au/portal/login

The Rivers Secondary College - Richmond River High Campus uses STYMIE to support student wellbeing and to support direct action against bullying in our school.

The program educates bystanders about their responsibilities and provides an online, independent reporting method, ensuring complete anonymity for students making notifications; creating a sense of safety in 'the crowd'. The use of Stymie will help change the 'culture of acceptance' of bullying behaviours. Students can access Stymie by going to www.stymie.com.au and www.facebook.com/stymieau

Stage 6 Subject Selection

What an encouraging night. There was a wonderful turnout of families eager to learn more about how to make good subject choices when going into Year 11. There was a great deal of information to absorb, so if anyone wants any further clarification then contact the Year Advisor Mr Scott Allen or you can email me at Anne.Bowden9@det.nsw.edu.au as I am not here full time. If you want to leave your phone number on an email then I will call you back.

Years 11 and 12 can get a bit daunting sometimes as it is an incredibly busy time in the life of a young person. They often need to master study, sport, social life, driving licence, and part time work. Remember to take it one step at a time and, if needed, ask for help sooner rather than later.

A Date for Your Diary - Monday August 6 2018

Once in five years a school will undergo a comprehensive evaluation process of its various projects and programs that it offers.

To do this effectively we need your opinions. In fact we can't do it without you. So please come along to our evening meeting to share your opinions. This is your early reminder with more to come. Please give the event a priority for the benefit of the school and your children.

Do you have any craft items to donate?

If you have done any craft then you have some items you no longer need, that's how it works. I am starting a collection of fabric, yarn, knitting or crochet needles for various programs that run in the school. If you have any to share please drop them in to the school for me. They will be put to good use.

Until next time - enjoy your kids and remember to laugh a lot.

Year 10 Food Technology - Pop Up Restaurants

Ms Murdoch's Year 10 Food Technology class completed their assessment by preparing and presenting a menu for their invited guests. Great to see the end results after weeks of planning. Invited guests thoroughly enjoyed the experience, well done everyone.

Under the 2018 theme — **Because of Her, We Can!** — NAIDOC Week will be celebrated at NORPA over the weekend Friday 29 to Saturday 30 June.

We have organised an intimate, community-focused series of events that celebrate indigenous women as leaders, trailblazers, politicians, activists and social change advocates.

The foyer areas of Lismore City Hall will host celebrated Bundjalung visual artwork and the much lauded Balun Gilamahla (River Journey) weaving installation. Before all performances of Thomas E.S. Kelly's *[MIS]CONCEIVE* a pop-up diner will be operating, serving delicious bush tucker inspired food created by Bundjalung Elders.

The Friday night performance of *[MIS]CONCEIVE* will be preceded by a women's smoking ceremony and then a Welcome to Country and Blessing by Rev Dorothy Gordon and the Ngalingah Mijung Dubais (Our Happy Women) will show off their fashion creations in The Studio.

On Saturday 30 June come and enjoy a women's Yarning Circle discussing this years' NAIDOC theme, performances by Nini Nahri Gali Girls Dance Troupe and three short documentaries will be playing in the Fountain Room.

"In line with programming Thomas E.S. Kelly's dance work [MIS]CONCEIVE in our 2018 Season and celebrating our second creative development of Horses Mouth at NORPA, we would love to invite you to come along and celebrate a post NAIDOC weekend with us at Lismore City Hall. I look forward to welcoming you to celebrate our culture, language, music and art.", Producer Kirk Page.

Troubleshooting tips

[Follow this link.](#)

Are your children attending different schools?

Don't worry, School Stream caters for multiple schools from within the app itself. Jump between your children's schools by touching the school logo/name, or switch schools from the slide-in menu.

Choose which notifications you receive:

1. Open the School Stream app on your mobile device
2. From the slide-in menu, go to **Settings**
3. Under **Edit/Alerts** select **My Schools** and select your School to open the **Notifications** page
4. Toggle notifications on or off individually (e.g. Alerts, Events, Newsletters, etc.)
5. When you have finished, use the **Back** button to return to the **Settings** page, then select **Done** to return to your School
6. Return at any time to change the notifications you receive.

HSC EXAM READERS AND WRITERS

We are looking for people who can act as a reader and writer for Year 12 students during Half Yearly Exams at the end of Term 1 and HSC Exams in Term 4, on a voluntary basis. You must have a current working with children check number. To obtain this number visit <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>.

Readers and writers require the following skills -

- Ability to communicate clearly in English with sufficient literacy level
- An understanding of subject(s) being examined
- Clear, legible handwriting
- Patience and sensitivity
- Understanding of the need to maintain confidentiality and ability to do so.

If interested please contact Susie Hancock- Learning & Support Teacher ph. 6621 3456

Reminder - Drop off and pick up at back of school

Parents who are dropping off or picking up their children before or after school are reminded to do this in the areas outside of the bus, taxi, disability parking, and no stopping zones at the front of the school. Suggested safe areas are the grassy tree-ed area outside the Ag Shed in Lake Street or near the shelter in McKenzie Park in Pitt Street, where there is a footpath to the school. The other alternative is at the back gate of the school on Alexandra Parade. The safety of our students is paramount.

Are you a young carer?

Are you the major provider of care for:

- A parent
- A partner
- A child
- A relative or friend

With a chronic illness, disability, mental illness, alcohol or other substance dependence, or who is frail aged?

We may be able to help you!

The staff at the Commonwealth Respite & Carelink Centre will talk with you and your family about how we may be able to support you.

YOUNG CARERS PROJECT

This project supports students 18 years and under who have a significant caring role to complete their secondary education.

Who can get help?

To receive assistance, you need to be:

- Aged 18 years and under
- Studying at school or completing secondary education at a vocational institution
- Caring for a friend or relative who has a chronic illness, disability, mental illness, alcohol or other substance dependence or who is frail aged
- Live in the North Coast region of NSW

What help can we provide?

Support provided is based on the needs of the young person. For example, we can provide short-term assistance with:

- Respite – a short break from your caring responsibilities to spend time on school work or other school activities
- Arranging tuition if you are falling behind in your school work
- Developing your study skills
- Some material resources such as school uniforms or school activities
- Attending school activities
- Referral to appropriate services
