Deputy Principal's News

Hello RRHC community

Another busy week draws to a close with the Year 11 snow trip students arriving home safely after having a great time. The Junior Academic Awards Assembly was a huge success, congratulations to all the award recipients and thank you to the parents and carers who attended.

Year 12 will complete their Trial HSC Examinations over the coming weeks. Students, ensure that you look after yourself during this time and achieve to the highest level possible through managing time, staying focused, and arriving to examinations on time.

Congratulations to all the award recipients on Wednesday. It was excellent to see so many students achieving success in the diverse range of subjects we offer here at RRHC. Year 8 PIPs (Personal Interest Projects) have been excellent this year with many of the students displaying talents that both staff and other students do not know that our students have. I have had the pleasure of being a judge and the amazing talent of our students is outstanding from block animations, to BBQs, to masks and wonderful photography. Congratulations to all the students who have given of their best in this special RRHC opportunity.

We urge all students to be respectful of the Year 12 Trial HSC Examinations over the next two weeks and please follow all instructions around the areas where the examinations are taking place to give the students the best opportunity possible - remember one day it will be you.

"Persistence and resilience only comes from having been given the chance to work through difficult problems." - Gever Tulley

Have a happy and safe weekend.

Who Else is Working to Support Your Children?

Here at Richmond River High Campus, a small but determined band of parents and carers meet on the second Monday of the month to talk about issues that affect your children's education. They meet as the Parents and Citizens Association which comes under the umbrella of the state organisation of the Federation of Parents and Citizens Associations. The Federation is in close liaison with the State Government and is active in a number of initiatives especially the #FairFundingNow campaign.

The aims of a P&C Association are to; promote the interests of the school by bringing parents, citizens, pupils and teaching staff into close co-operation; assist in providing equipment required by the school; report to the Minister the material requirements of the school; assist the teaching staff in establishment of school policy and management in all facets of school activity.

As the official representative of parents and community in the school, the P&C Association has the opportunity to be involved in all ceremonial and special occasions at the school.

Membership of our P&C Association is open to all members of the school community: parents and carers, teachers and citizens.

Come along to a meeting to check out how it works here at our school and how your voice can help your children.

Monday 13 August, 5:30pm in the Upstairs Common Room
