2018 | ISSUE 29 | TERM 3 | WEEK 9

Deputy Principal's News

What a big week it has been for RRHC students.

We have had HSC Music Exams on Monday where our HSC students performed for the HSC Markers who visit schools around the state to mark the practical component of the HSC Music course. Mr Wordsworth reported that the students did a fabulous job and he is very proud of all of them.

Year 11 students started their final Preliminary Examinations and from all reports are moving positively through this important time of their senior study program.

Year 10 students have been on the annual Great Keppel excursion and have been having a fantastic time snorkelling, paddling, on boat rides and living the relaxed island life for the week. The photos sent back already show what a fantastic experience this excursion is for our students.

The HEALInG program run by Northern NSW Aboriginal Health Service was delivered by Laurel Rogers and Elly Bradshaw to Year 7 to Year 10 Aboriginal students with a focus on healthy eating, activities and lifestyle. All students involved found this program engaging and fun with them participating in physical activity and preparation of healthy food.

Next week will see the last school week for our Year 12 cohort. We hope they take advantage of their last few days in timetabled lessons and set themselves up to prepare for their HSC Examinations over the school holidays and stuvac period. We look forward to celebrating their success on the Year 12 Formal Assembly which is on Friday 28 September at 10am.

Retirement – Lyn Martin

Today we had a morning tea to acknowledge the great work Lyn has done at RRHC. Lyn is leaving us after twenty-seven years as a cleaner. She has cleaned every area of the school most recently working in the Hospitality, English, River Theatre and Canteen areas. Lyn has been a very dedicated and respected member of the RRHC community and she will be missed. Lyn has had a long association with the school, not only as a workplace but also as a parent, as her children attended school here. We wish Lyn all the very best in her retirement, we know she will not miss the early starts! Thanks Lyn, enjoy your retirement.

From the Community Liaison Officer (CLO)

Letting go of our children

As we come to the end of Term 3, Year 12 prepares to leave the protected environment of the school. As parents we face many moments of 'letting go'.

We let them go when they learn to walk.

We let them go when they go to Big School.

We let them go when they get their driving licence.

We let them go when they leave school.

We let them go when they leave home.

Often times it is done with anguish as we are aware of the possible difficulties that our children may face. We want them to be safe and we want them to be happy and we can not control that.

Our children are only ever ours on loan.

As the great Khalil Gibran tells us "You are the bows from which your children, as living arrows, are sent forth."

I wish all of our Year 12 students well for the upcoming exams. I wish them a safe and happy future.

Thank you,

Anne Bowden

Community Liaison Officer (CLO)

Safe on Social

Kirra Pendergast of Safe on Social Media presented to students in Years 9 to 12 last week. Kirra spoke about cyber safety with information security and risk management skills; so our students learnt practical things they can use. It was a very informative session and students learned how open they are online through various apps and settings and how important their digital footprint is now and into their future. Kirra will be back to present to staff and students in 2019.

The Rivers Dance Ensemble at the State Dance Festival 2018

This year the Rivers Dance Ensemble performed at the State Dance Festival in Sydney for the first time ever. Their journey started back in Term 2 when they performed at the Far North Coast Dance Festival. Students at the College participate in this event every year. This year the College was represented by over fifty students and this was the first time any entry from the College was successful in our audition for State. During their time there the students participated in master classes covering Bollywood, Rudolf Laban's movement practice to classical music, and a class focused on commercial dance. The dancers performed brilliantly on stage and held their own against performing arts schools. This has been a fabulous experience for the College performers. Thank you to Mr McMullen and Miss Zappia who assisted on this excursion and congratulations to Ashleigh who represented RRHC and the students from Lismore Campus and Kadina Campus.

Girls Futsal

On Friday 14 September the U14s and U16s Girls Futsal teams travelled to Casino to contest the Northern Rivers Zone CHS Championships.

The U16s took to the court first accounting for the home team Casino 4-2 with Alinta scoring all four goals. The U14s then kicked off their campaign with a dominant 6-0 victory over Rivers compatriot Lismore High. Four separate goal scorers contributed, with Audrey chalking up three to her name. The U16s then played their second round game against another Rivers team, Kadina, with another dominant win 4-1. Alinta bagged another three goals with Indhi also chiming in on the score sheet. The U14s played their second round match up against a physical Woodenbong side and with the scores locked 1-1 at full time they were headed for extra time. Denied a penalty and losing Audrey to injury, Woodenbong scored the winner with the last kick of the game. This ended the U14s run finishing as a zone top four team. The U16s took to the court for the final against a strong Alstonville side and were outplayed from the first whistle, eventually losing 5-0. The U16s finished as zone runners up.

I'd like to congratulate all the girls for their effort, style of play and the manner in which they conducted themselves.

During their time on the island the students have enjoyed many activities including coral reef snorkelling, canoeing, swimming, paddle boarding, kayaking and coral viewing. The School Administrative and Support (SAS) Staff Reference Group welcome any people looking to start work in school administration to enrol in our Non-Teaching Staff School Introduction training programs.

To enable processing for potential employment participants are required to bring necessary completed forms, which appear on the MyPL registration page. Many schools have a policy of not employing current parents or associates within their own school.

It would be desirable if participants had a sound knowledge of the Microsoft Office suite.

The training days will be held in the following locations:

Goonellabah office – Wednesday 17 October & Friday 9 November 2018
Tweed Heads South Public School – Wednesday 24 October & Tuesday 13 November 2018

After completing the details, an email will be sent with instructions on how to get started and select the venue you wish to attend. The course codes are Day 1: NR22842, Day 2: NR22844.

There will be no cost to the participant other than them acquiring their WWCC prior to attending the training. Tea and coffee will be available throughout the day. Participants are to provide their own morning tea and lunch.
