2019 | ISSUE 23 | TERM 3 | WEEK 2

## Principal's Message

We have some very exciting initiatives unrolling across the school which have the potential to provide significant opportunities for growth in our young people's learning as well as the supports we can put in place for them.

Two of these are happening right now. Firstly, due to very high levels of demand and the high calibre of applicants we have decided to run a second High Achievers class in Year 7 in 2020. This is exciting for everyone, the students, their teachers, their parents and their Primary schools. Personally I'm very excited to be in the position where we could meet this demand and I feel privileged to be leading a school where teams can make these valuable decisions and then we can all make them work. Congratulations to Jane Ryan and the High Achievers Team.

Secondly, I mentioned last week that Parents of current Year 11 students would be emailed an Education Plan for their young person. Here is the excerpt from last week's newsletter:

**Parents and carers of Year 11 students will receive an interesting and important email next week. It is a new initiative where we will provide parents with a concise Academic Plan for each Year 11 student for Term 3. This is our very genuine attempt to support you as parents to know more about your senior student's learning over an extended period of time. We will also mail out a hard copy which we hope you will keep close to hand as a reference. Later this term we will also be seeking feedback from parents and carers around the effectiveness of this plan.**

Please utilise the link in the email to access the feedback opportunity as we would like to continue this program with an Academic Plan for next term if parents find it useful.

Have a good week!

# Deputy Principal's News

Hello RRHC Community,

This week has seen our Year 11 students and some dedicated teachers travel south to attend the Annual RRHC Snow Trip. All reports back have been positive with many excited, but tired, students enjoying their snow board and ski lessons and a week on the snow.

On Wednesday our SES cadets attended a presentation ceremony celebrating their success in the SES Cadetship Program. A big thank you to Scott Harrison for supporting our students to participate in this additional activity.

On Thursday 25 July Senior Constable Brooke Papasidero, our local School Liaison Officer, visited RRHC and spoke with all junior students regarding safe behaviour online, at school and in the wider community. This was a very informative presentation and provided our students with the opportunity to be informed of their rights and responsibilities as young citizens.

Next Thursday night (8 August) is the Junior Parent Teacher Night, 3.30pm–6.30pm. This evening provides an opportunity for parents and carers of all junior students to discuss their student's performance with their teachers. Please book appointments online or contact the RRHC office for support if you are unable to book online.

Please note that the Junior Awards Assembly starts at 12noon next Wednesday 7 August. Our students enjoy sharing their success with their family and friends, and as always parents and carers are invited to attend.

Richmond River High Campus is a uniform school which is supported by our school P&C. All students should have black pants, shorts or skirts and either red, grey or white shirts. Students are not to wear tights unless they are under a skirt or shorts. Jumpers need to be plain red, grey or black. If you are having financial issues, families can access student assistance to purchase uniforms. If your student is out of uniform for any reason, they need a signed note from a parent/carers and to submit this to the teacher checking uniform at the Morning Year Meeting.

Year 12 students and teachers have a very busy time this term completing Major Works, assessments and class work as they continue to prepare for their HSC. Weeks 4 and 5 see students undertake their Trial Examinations. Examination timetables have been given to all students and are also available to view on the RRHC Facebook page and later in this newsletter. At this often stressful time, please remind your Year 12 student to seek support or assistance should they require it.

## Reminder - Drop off and pick up at back of school

Parents who are dropping off or picking up their children before or after school are reminded to do this in the areas outside of the bus, taxi, disability parking, and no stopping zones at the front of the school. Suggested safe areas are the grassy, tree-ed area outside the Ag Shed in Lake Street or near the shelter in McKenzie Park in Pitt Street, where there is a footpath to the school. The other alternative is at the back gate of the school on Alexandra Parade. The safety of our students is paramount.

## From the Community Liaison Officer (CLO)

### Parent Teacher Interviews and Using that Time Well

As a parent or carer of a high school student, your time to engage with your child's teachers is quite limited. So now that Junior Parent Teacher Night is next week it is important to make the most of that time. It is a good idea to bring your child with you so the same message can be heard. Some preparation is also very helpful.

- Before you arrive know the subjects that your child is doing
- Know the teachers' names so you can speak directly with the person you are looking for
- A copy of your child's report can be very handy
- Ask your child before you go if there are any teachers they would like you to talk to
- What are their concerns about the subject?
- What successes are they proud of?
- If your child is not with you, then take notes of the interview
- Be prepared to book a longer time on another day if that is required
- Ask the teacher about your child's successes and challenges in that subject
- Ask what you can do to support your child at home.

The interviews are an opportunity to learn more about your child's strengths and their challenges. You can't remove the challenge but you can help them to develop the skills required to tackle them.

## Year 9 Elective Food Class

Developing your own changes in recipes to make them your own is putting your own slant on product combinations, variation in method and presentation. Points for identifying the Fish and Chip Pie, the Double Bacon and Cheese Pie, the Tall Berry Mille Fleur, or the Appetiser Pops. Great products Year 9.
