2019 | ISSUE 25 | TERM 3 | WEEK 4

## Deputy Principal's News

Hello RRHC Community

Another busy week draws to a close with the Year 8 students participating in an Elective Information Night to help guide them with their studies in Stage 5. Thank you to the students, parents and teachers who attended this valuable session.

Year 12 will complete their Trial Examinations over the coming weeks. We encourage students to ensure they look after themselves during this time and achieve the highest level possible through managing time, staying focused and arriving to examinations on time.

We urge all students to be respectful of the Year 12 Examinations next week and please follow all instructions around the areas where the examinations are taking place to give the students the best opportunity possible. Remember one day it will be you.

Congratulations to Zack, Year 9, as he has been selected in the "Generation Blue" Waratahs Junior team, as a second rower. Training has started and will intensify in September.

"I'm a big believer that your life is basically a sum of all the choices you make. The better your choices, the better opportunity to lead a happy life." - Karen Salmansohn (Author/Designer)

Have a happy and safe weekend.

**Deputy Principal**

## From the Community Liaison Officer (CLO)

### Ease the Cost of your Child's Sport and Active Recreation with Active Kids Vouchers

To encourage sport and physical activity across the entire year families can now access two separate \$100 vouchers for each school-enrolled child. This can help your child get involved in physical activity and learn healthy habits from a young age. With 44% of children spending more than two hours a day on sedentary activities, the Active Kids Program plays a role in shifting physical activity behaviours of children. You are encouraged to download and redeem your two vouchers by visiting [sport.nsw.gov.au/activekids](http://sport.nsw.gov.au/activekids)

### Subject Selection

It is that time of year but it does not need to be stressful. To make the best choices with your child it is good to consider clear information about:

- what subjects are offered
- what content will be taught
- additional fees to pay for certain elective subjects
- how many assignments, tests, practical works and/or field trips are required and when they need to be done.

Your child's choice will be made on availability of the subject, the cost, the workload and most importantly, your child's level of interest in that subject.

## Southern Cross University School of Law Conducts Legal Research Workshop at RRHC

On Friday 8 August Richmond River High Campus Legal Studies students were privileged to receive a Legal Research Workshop, conducted by two presenters from the Southern Cross University School of Law - Emma Babbage and Kayleen Waddell.

The Workshop involved the delivery of a two hour session, in which students were given advanced legal research skills. Students were instructed in the use of a number of advanced Google applications, as well the skills to effectively use the Australian legal database - Austlii, to locate a range of different legal materials. All of our Legal Studies students found the legal research methods they learned during the workshop invaluable in equipping them with the skills they need for locating Acts, court cases, media articles and journal articles that relate to their studies of Crime.

Richmond River High Campus is extremely grateful to the Southern Cross University School of Law and Justice for providing this high quality opportunity for our Legal Studies students, in order to extend their range of legal research skills.

This late-afternoon session is designed to be attended by parents/carers and community members. Professor Adrian Piccoli, the Director of the Gonski Institute for Education will be leading this session and will talk on the topic:

**Too much parental involvement with schools or not enough? How the pressures of the 21st century are changing the roles of parents.**

This session will be followed by a Q & A with Professor Piccoli.
