

**WEEK 11 / TERM 1 / 2024**

### From the Principal

Hello RRHC community

It has been a big term with the successful transition of our Year 7 students to Richmond River High Campus. They have worked hard to adjust to the change from primary school to high school. It was great to see that most of year participated the Year 7 Day Out.

This term has seen many sporting opportunities for our students both at a school, zone and regional level, resulting in several of our students being selected to advance to the next level of competition. Thanks to the dedication of our staff for coaching and supporting our students.

RRHC senior students have had several opportunities for experiential learning including a Physics and Business Studies excursion, and the CAPA students attending an excellent trip to Sydney for immersion in the Arts. Marine Studies, Primary Industries and Agriculture students have also had a range of excursions to support their engagement and learning.

A planning update was released earlier this week explaining the current activities of the rebuild of The Rivers Secondary College, RRHC, in the North Lismore area. We are continuing to improve our temporary site with further works to be completed over the break to support our students.

During Term 2 we have the Cross Country, Senior Successful Futures Day, and our Athletics Carnival, as well as a range of sporting team events. Staff are continuing to work on the implementation of the new curriculum and the further development of consistent whole school processes.

We have a new staff member joining us in Term 2, Mr Jarrod Carter who is an experienced HSIE teacher has been permanently appointed to RRHC. Mr Paul Clifford who has been employed here for a few years also has been permanently appointed to RRHC. This is exciting for RRHC and provides further stability in the education of your young people.

I look forward to Term 2 with the learning opportunities it will provide for our students. I extend a sincere thanks to our staff, students, and community for your continued support of RRHC.

I wish you all a happy and safe holiday and see you back on 30 April.

Regards

**Luke Woodward**

We would like to respectfully acknowledge the Elders past and present of the Wijabal Wiyabal people and other peoples of the Bundjalung Nation. We acknowledge that they are the first peoples of this land on which our school stands. Always was, always will be.

## Attendance Rewards

At Richmond River High Campus we expect our students to attend school every day. While we understand that sometimes students are sick and need a day off, we would like to encourage all students to be at school every day if they are well enough to attend.

To encourage attendance and to reward students for doing the right thing we have developed the following rewards:

Every fortnight (assembly week) we will draw a raffle for 5 x \$20 vouchers for students in Years 7-10 with 95-100% attendance.

Every 5 weeks there is a prize for the best roll call attendance for the last 5 weeks.

Every term we will draw 5 x \$100 vouchers for all students Years 7-12 with 95-100% attendance. Students will be able to choose vouchers from a variety of local businesses.

This term the following students won the \$100 vouchers:

Year 7 - Zavier

Year 8 - Sandu

Year 8 - Ava

Year 8 - Marshall

Year 10 - Eddie

## Year 7 Day Out

Monday marked an exceptional outing at the Climbing Jungle in West Ballina, where 60 of our Year 7 cohort displayed remarkable courage and tenacity. Students were split into groups who then took on the formidable challenge of scaling nearly 15-metre cliffs with commendable determination. Many students attempted the climbs, but some of the notable climbers to scale the dizzying heights were James, Talis, Hunie, Anabell, Paige, Maddie and others, who climbed to the top conquering their fears bravely. Every student's effort on the day exemplified the spirit of perseverance and achievement embedded into the Richmond River High experience.

The excursion provided Year 7 students with the opportunity to come together as a cohort, build and strengthen relationships with each other and reflect on themselves as young people and learners. Memories have been made which will be cherished for years to come!

I am so proud to be the Year Adviser of these inspiring young people and am energised by their youthful approach to challenges and adversity. This outing stands as a testament to the indomitable spirit and resilience of our Year 7 cohort. May Monday's triumphs serve as a harbinger of future successes and enduring memories.

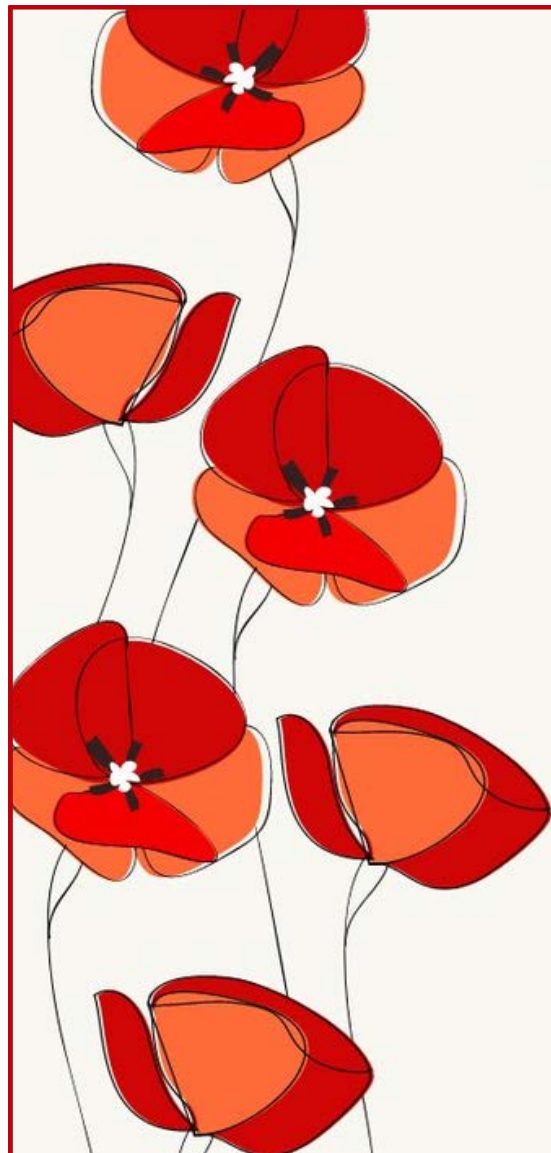

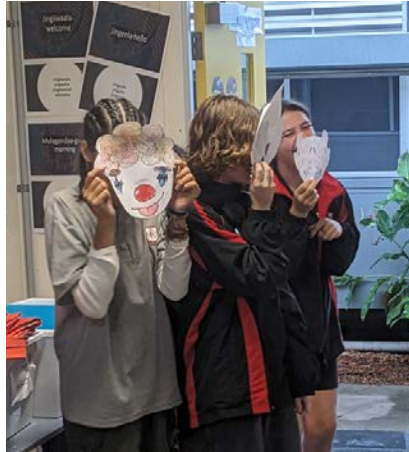

### Maddie Hodgman | Year 7 Adviser

## Year 7 Japanese 'Setsubun' Festival

This week year 7 participated in the Japanese 'Setsubun' festival. On the night of Setsubun, many households do mame-maki - a bean-throwing ceremony. Parents will dress up as a demon and the children will throw roasted soy beans at them. Japan has just entered Spring and Setsubun marks beginning of spring and traditionally is done to drive out evil spirits and bring in good fortune.

**Nathan Dawson | LOTE Teacher**

**APRIL 25**

**RRHC will be marching  
on Anzac Day.**

Anzac Day is a day of remembrance for all Australian and New Zealand service men and women who served and died in wars, conflicts and peacekeeping missions.

**Students who wish to  
participate are to meet in the  
Browns Creek carpark at  
8:30am ready for 9am march.**

It would be great to see as many students as possible there and remember full school uniform is required to participate in the march.

## Student Congratulations

### **Bill Turner Trophy**

The girls Richmond River Bill Turner Trophy team found success in the first round of the competition against Lismore High Thursday afternoon. The girls played some spectacular football moving the ball around and creating plenty of chances. The team defended strongly throughout the whole match earning themselves a clean sheet. Spectators present were rewarded with an array of 7 goals including some spectacular strikes from outside the box. The match concluded 7-0 to the River Rats. Thank you to Lismore HC General Assistant who prepared the grounds so well given the weather conditions recently.

### **Connor Whitehall | Coach**

Well done to our student helpers who assisted the successful running of Wyrallah Road Public Schools Cross Country on Wednesday.

### **John Eakin | PDHPE Head Teacher**

## Student ID Cards

We have been advised that the student ID cards will be posted to arrive at the school in the first week of Term 2. We will distribute them to students as soon as possible.

## Charge Your Engine Excursion

Recently we went to Wollongbar TAFE and we got to meet new people and do things I've never done before. When we first arrived, we did some spray painting for about half an hour. After lunch, we checked out some cars and I think my favourite was the V8 Commie which sounded nice. We saw some drive trains and a gearbox, turbos, superchargers, and how over the years, cars have changed. It was great and I would 100% go back to learn more about engines. Casey (Student)

## P&C Association

### Richmond River High Campus P&C Association

The P&C meets every term. It brings parents, citizens, students and teaching staff into close cooperation, providing the school with valued feedback to establish and develop school policy. The P&C encourages parents and carers to get involved and meet with the School Executive to chat, ask questions and discuss school related issues.

## Absence Notifications

If your student has been marked as absent for the day on the roll, you will receive an SMS on your mobile phone. All you need to do is explain the absence in your reply and it will be pushed through to their attendance record for this absence notification only. Please DO NOT send messages to this number at other times or send picture messages to the number as they cannot be retrieved.

## Parking on Military Road

Parents are asked, when picking up or dropping off students, to not park on the grassed area outside Northern Rivers Buslines (opposite the RRHC entry gates) on Military Rd.

Thank you for considering our neighbours.

## Safe parking in School zones

Take the time to ensure  
your child's safety

### No stopping

**NO  
STOPPING**

*Fine exceeds \$325 and attracts  
a penalty of two demerit points.*

**What does it mean?** You cannot stop in this area for any reason.

**Why?** To keep sight lines clear for drivers and children so both have more time to avoid accidents.

*Stopping on a continuous*

*YELLOW LINE will also attract a \$253 fine.*

A driver must not stop at the side of a road marked with a continuous yellow edge line. It means the same as the No Stopping sign.

## Picking up your

## children after school

## No apologies, no excuses

### Have a plan

Plan with your child how you will collect them.

- **When and where will you be after school?**
- **Where should your child wait?**

Make sure they know not to try and get into your vehicle while it is still in traffic. Even if you are stopped, they should wait until you have parked. Your school may have some arrangements in place to help you collect your children.

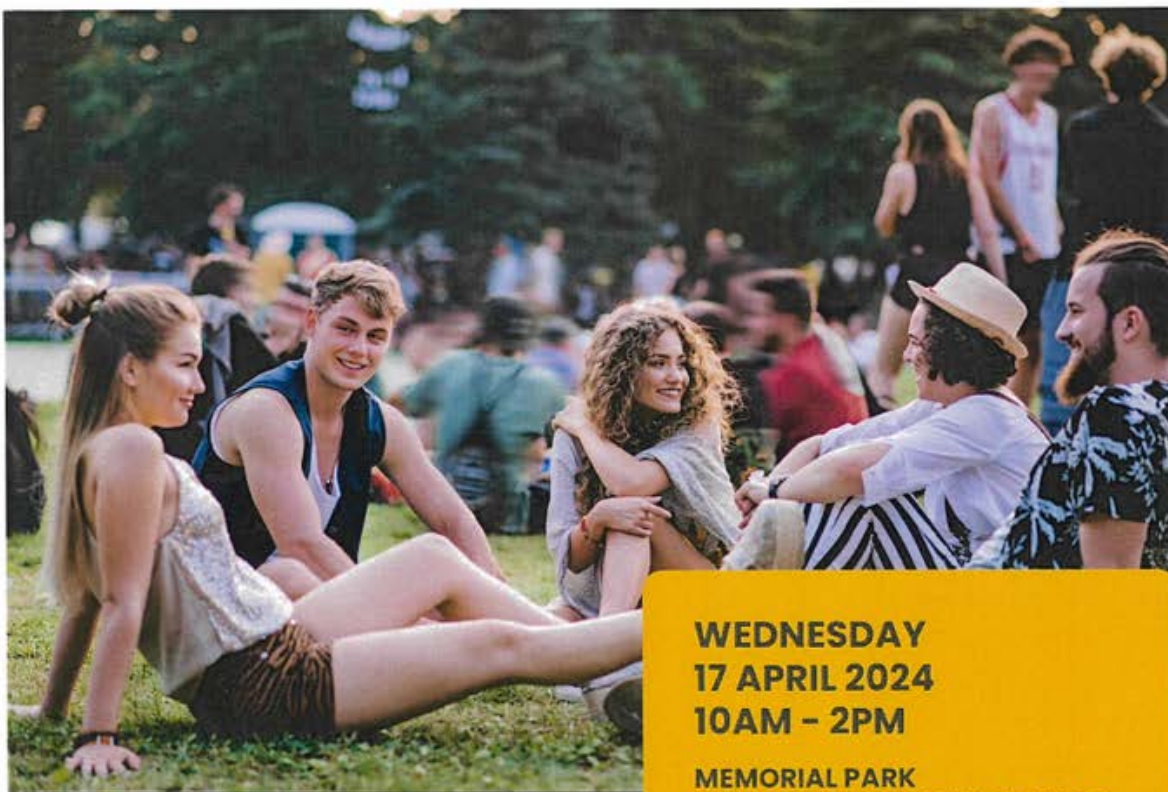

When it comes to child safety, Lismore City Council makes no apologies for issuing infringement notices to drivers who break the law in and around school zones.

Illegal parking in school zones puts children at risk and endangers lives. Parking offences in school zones carry heavy fines and loss of demerit points.

If you experience a problem with illegal or dangerous parking at your school, contact:
